**EXHIBIT 1**

KGAN Licensee, LLC ("KGAN Licensee"), licensee of low power television station K13MN, Washington, Iowa, hereby requests certification of eligibility for Class A status. While K13MN has been rebroadcasting the signal of commonly-owned KGAN(TV), Cedar Rapids, Iowa, , a CBS affiliate, it has provided a significant portion of the Washington community with local and network programming. KGAN(TV), which is located in the same Designated Market Area as K13MN, produces and broadcasts approximately twenty hours of local news each day. All of this local programming is rebroadcast by K13MN, providing the Washington community with network and local programming.

The Community Broadcasters Protection Act provides for qualification of Class A status where "the Commission determines that the public interest, convenience and necessity would be served by treating the station as a qualifying low-power television station. *See The Community Broadcasters Protection Act of 1999*, Section 5008(c)(2) (Nov. 29, 1999). In this instance, the public interest clearly would be served by granting K13MN a Certificate of Eligibility for Class A status to protect the ability of Washington residents to receive important network and local programming via a local station. Accordingly, KGAN Licensee respectfully requests that the Commission grant K13MN a Certificate of Eligibility for Class A status.

**ATTN.: Mr. Tracy Simmons**

**Re: RS Radiolocation Station WNAE244  
Cedar Rapids, Iowa  
Application for Renewal of License**

Dear Ms. Shultz:

Transmitted herewith on behalf of Sinclair Communications, Inc. ("Sinclair"), is the application on FCC Form 574-R for Renewal of License of Private Land Mobile Radiolocation Station, WNAE244, Cedar Rapids, IA. Sinclair is the current licensee and the approved assignor of WNAE244. Pursuant to the instruction of the Wireless Telecommunications staff, we direct this letter and application to the attention of Mr. Tracy Simmons due to the change in the name of the current licensee.

It is noted that the FCC Form 574-R was issued to the former licensee, Guy Gannett Communications ("Guy Gannett"). It is further noted that the FCC database currently shows the licensee to be SDF Television License Corp. ("SDF Television"), which is the approved assignee of WNAE244, pursuant to a not yet consummated assignment application. In brief, Guy Gannett assigned the station to Sinclair, who in turn has proposed to assign it to SDF Television. The following history will demonstrate Sinclair's standing to file this renewal.

Ms. Mary Shultz, Chief

January 3, 2000

Page 2

On October 13, 1998, an application was filed with the Commission to assign WNAE244 from Guy Gannett to Sinclair.<sup>1</sup> On October 19, 1998, the Commission properly granted the assignment to Sinclair. On July 1, 1999, the assignment was consummated, at which time Sinclair became the licensee of WNAE244. (Please see Exhibit 1.)

In the interim, on April 14, 1999, Sinclair filed an application with the Commission *proposing to assign* WNAE244 from a subsidiary of Sinclair (KGAN Licensee, LLC) to SDF Television. (Please see Exhibits 2 and 3.) On April 30, 1999, the Wireless Bureau granted the assignment to SDF Television. This assignment was contingent upon the consummation of the assignment from Guy Gannett to Sinclair, which, as stated above, took place on July 1, 1999. Furthermore, this *proposed* assignment application was filed in connection with and contingent upon the assignment of full power Television Station KGAN, Cedar Rapids, Iowa, from Sinclair to SDF Television, which was filed April 2, 1999, File No. BALCT-990402IA, and which today remains pending before the Mass Media Bureau.

The confusion over the licensee name of WNAE244 has arisen because the consummation from Sinclair to SDF has *not yet* occurred. As indicated above, the consummation has been delayed because the Mass Media Bureau had not yet approved the companion application for assignment of Television Station KGAN from Sinclair to SDF. Thus, the licensee of WNAE244 continues to be Sinclair. It is noted that in a letter to the Wireless Bureau, filed by counsel on October 18, 1999, Sinclair requested an 90-day extension of time until January 13, 2000, to consummate the assignment from Sinclair to SDF. (Please see Exhibit 4.) It is for these reasons that the renewal application for WNAE244 is filed by Sinclair.

Should you have any questions concerning this matter, please contact either of the undersigned.

Respectfully submitted,

Kathryn R. Schmeltzer

**Re: RS Radiolocation Station WNAE-244, Cedar Rapids, Iowa  
Industrial Business Radio Station WPHI-929, Champaign, Illinois  
Industrial Business Radio Station WNQE-817, Springfield, Illinois**

Dear Ms. Shultz:

Sinclair Communications, Inc. ("Sinclair") hereby responds to the Commission's letter dated August 17, 1999, concerning the *pro forma* assignment of license applications on FCC Form 600 that were originally filed with the Commission on June 25, 1999 for the above referenced stations. These stations were originally licensed to Guy Gannett Communications ("Guy Gannett").

However, on October 13, 1998, Sinclair filed applications with the Commission to assign these stations from Guy Gannett to Sinclair.<sup>1</sup> On October 19, 1998, the Commission properly granted the assignment of these licenses to Sinclair. Subsequently, on April 14, 1999, applications were filed with the Commission to assign these stations to SDF Television License

---

<sup>1</sup> These applications were filed in connection with the assignment of full power television stations KGAN-TV, Cedar Rapids, Iowa, WICD-TV, Champaign, Illinois, and WICS-TV, Springfield, Illinois to Sinclair.

Corp. ("SDF Television").<sup>2</sup> On April 30, 1999, the Commission properly granted the assignment of these licenses to SDF Television.

Currently, however, the Commission's records inaccurately reflect Guy Gannett as the licensee of WPHI-929, and WNAE-244. Accordingly, at the instruction of the Commission staff, Sinclair hereby submits this letter requesting that the Commission correct its records to reflect SDF Television License Corp. as the approved assignee of WPHI-929, WNAE-244, and WNQE-817. As the assignment of these stations has not been consummated, however, Sinclair additionally requests an extension of ninety (90) days until January 13, 2000, in which to consummate the assignment of these stations to SDF Television.

Should you have any questions concerning this matter, please contact either of the undersigned.

Respectfully submitted,

Lara S. Meisner
